

#RT-4

**Report to the Kentucky Library Association Board
20 November 2010
Genealogy & Local History Roundtable**

As the incoming chair of the Genealogy and Local History Roundtable, my goals for the coming months are to connect with other members of the Roundtable, and to enter into discussions on how to:

1. better promote our libraries' collections and services;
2. work on ways to enhance the online presence and services of those collections;
3. reach out to smaller libraries with local history collections.

Respectfully submitted,

Elaine M. Kuhn
Kentucky History Services Coordinator
Kenton County Public Library
